

1 in 3

women experience
gender-based
violence in their
lifetime.

More than

50%

of women have
experienced some
form of technology-
facilitated abuse.

Over

90%

of deepfake videos
are sexual images
of women.

Sexual harassment and
stalking are the most
commonly reported forms
of technology-facilitated
violence experienced by
women and girls.

Other forms of abuse
include cyberbullying, hate
speech, sexual exploitation,
defamation, intimate
image-sharing, sextortion
and revenge porn.

This can spark a digital
nightmare that often spills
into women and girls'
offline lives.
